Bible Study Series

The Adventure of Church (Acts 1-8)

From April to June we are following Luke's amazing record of the birth of the Church, God's plan to turn the world upside down. The book of Acts records how a group of ordinary people was set apart by the Holy Spirit to go on an adventure of faith in Jesus. Like *them*, Jesus calls *us* to be courageous, committed members of his body as His hands, feet and voice taking the Good News to the ends of the earth. As the Church, filled with the Spirit and guided by Him daily, our life together can become an adventure of faith. The plan is for our Fellowship Groups to follow up our Sunday messages during the week.
